Great. I will call you at 571-270-1695 on Thursday October 11th at 1:30pm [EST] (12:30pm CT) to start the Interview.

The Interview will basically follow the "proposed arguments" included in the file "Interview-argument.doc" sent to you and Mr. Sax earlier (its also filed with and entered into the PTO PAIR system).

Thanks.

Mr. Belousov:

I've talked to Mr. Sax on the phone the other day.

He told me that you, the Examiner will be the person on the Office part conducting the Interview (rather than between me and him, like the previous two times), and that he will join the Interview. But he will not be in the office on Thursday (11 October 2007 - He wanted the Interview to be on Thursday afternoon), so it has to be a three-way phone conference. He said you guys will arrange the three-way phone conference service. So please let me know how this is going to work out - either I call your number at the scheduled time or the other way?

By the way, I would prefer that the Interview be at 1:30 pm ET (i.e., 12:30 CT) on Thursday (11-Oct.-07). Please let me know if this is OK with you and Mr. Sax, or what time you'd prefer on Thursday?

Sincerely,

Shalong Maa, Pro Se Applicant

To: steve.sax@uspto.gov

Mr. STEVEN SAX:

This communication pertains to the Pat. App. No. 10/688,269, and to the Telephone Interview I would like to have with the Examiners. Earlier today I talked on the phone to Mr. BELOUSOV, the Examiner officially assigned to the case, who informed me that you are (now) the Primary Examiner assigned to the case and is the person who will conduct the telephone interview (which will probably be on Thursday or Friday of next week). PLEASE GIVE ME A BRIEF REPLY to confirm this. (My estimation is, the Interview will be about 90 minutes. I will contact Mr. BELOUSOV regarding the actual time and other details of the Interview).

The "ARGUMENTS" I would like to present during the Interview are included in the file "Interview-argument.doc" (MS-Word), which is attached to this email and which includes detailed guidelines and technical analysis of the relevant portions of DELEEUEW (the primary prior art reference), so as to make it as convenient and easy as possible for the Examiners to get familiar with the technical issues involved. Please go over it and the relevant portions of the prior art ref. mentioned therein before the Interview. AGAIN, I WOULD LIKE TO RESPECTFULLY REQUEST THAT, the Examiners be fully prepared for the Interview (The Interview can be conducted whenever the Examiners are fully ready) since its already at this very late stage of the prosecution.
